

TAFT IN LETTER APPEALS FOR VOTE OF THE FARMERS

Says That Their Prosperity in
Northwest Depends Upon
Protective Tariff.

PORTLAND, Me., Oct. 25.—President Taft, who addressed the Maine Teachers' Association here yesterday, made public a special appeal to farmers of Minnesota and the Northwest, to remain true to their Republican beliefs of past campaigns. It was addressed to Gov. A. O. Eberhardt of Minnesota and in part follows:

"I am very glad to have encouraging news of the political outlook in Minnesota, and wish to thank you for the efforts you are making for Republican success. The people of your State are vitally interested in the maintenance of our present economic system. Their welfare is dependent upon the continuance of a protective tariff, and although at times, by appeal to their prejudice, they may be diverted from a clear perception of their interest, I am confident that in the end their common sense will enable them to see the fallacy of newly dressed nostrums which in the past they have rejected. I am sure they must realize that this contest is between the Republican and Democratic parties. The men and women of the Northwest country have a special interest in Republican success this year. They are hating in the general prosperity of the nation, and the continuance and growth of this prosperity are in large degree dependent upon Republican success next month.

"There has never been a time in our history when the farm products of the Northwest would purchase as much as they do today. Prosperity is just at its door.

"The Democratic platform promises a change in our tariff system whose effect would be to halt manufacturing enterprise, the source of employment for thousands of wage-earners, and destroy the home markets now enjoyed by the American farmer. No reforming legislation could neutralize or mitigate the paralysis which would follow."

CORNERSTONE FOR HOME.

Mayor Gaynor Will Speak at Montefiore Ceremony.

M. Among those invited to be present and who will deliver addresses are Mayor Gaynor, Comptroller Frederickson, Borough President Miller, Jacob H. Schiff, president of the Montefiore committee, and others. The buildings may be reached by any one of the following routes: West Side L to One Hundred and Fifty-seventh street. Take Jerome avenue surface car to Gunhill road. Subway to One Hundred and Forty-ninth street and Third avenue; transfer to Third Avenue L to end of line. Take Webster avenue car to Gunhill road. PROTECTION POLLY A BRIDE.

Husband Also Wears High Tariff Clothes at Low Cost.

Miss Mary Wood, secretary of the Women's Department of the Republican National Committee, was the principal speaker at the first meeting for business women at the Dollar Wage Show, No. 41 Union Square, from 5.30 to 7 P. M. yesterday. Miss Wood assured the Tammany administration which failed to protect the working women in their shops, on the streets, or in their homes. Miss Mary Francis has secured a husband for "Protection Polly," the tariff doll, who wears glad raiment at low cost. The "man" in the case will make his appearance to-day with everything from his hat to his underwear, warranted a special extra bargain.

3,000 See Cornerstone Laid.

The cornerstone of the new Church of Intercession and the parish building, which are being constructed at One Hundred and Fifty-fifth street and Broadway, in a corner of Trinity Cemetery, was laid yesterday afternoon in the presence of 3,000 persons. The ceremony began with a procession down Broadway. In it were about forty clergymen, Bishops Burch and Greer, the Rev. W. T. Manning, Rector of Trinity Parish, and the Rev. Mr. H. G. Foster, pastor of the Church of Intercession, and a choir.
